EDUCATION-RELATED EXPERIENCE

TEACHING INTERNSHIP

Park Street Elementary School

March 2011 - May 2011

Fredericton, NB

Teaching internship II during the Bachelor of Education program. I gradually moved into teaching full-time during my 8-week internship in a grade one class. I taught Mathematics, Language Arts, Art, You and Your World (an integration of Social Studies, Science, and Language Arts), and French. Also supervised The Spelling Club, which is a student-led club for students from kindergarten to grade three, once a week.

VOLUNTEER

New Maryland Elementary School

February 2011

New Maryland, NB

Helping the teacher with the implementation of course material.

TEACHING INTERNSHIP

New Maryland Elementary School

October 2010 - December 2010

New Maryland, NB

Internship I during the Bachelor of Education program. I gradually moved into teaching full-time during my 8 week internship in a kindergarten class. Taught Mathematics, Language Arts, Art, and You and Your World (please see above).

VOLUNTEER

Peacock Primary School

September 2009 - June 2010

Happy Valley - Goose Bay, NL

One to three times a week. One-on-one assistance with children who needed extra attention from kindergarten to grade five.

SKILLS AND CERTIFICATES

- obtained the following certificates in October 2010: *Technology Standards Certificate, School Law Pupil Protection Policies Certificate, and Professional Learning Community Workshop: Certificate of Participation*
- obtained a *Certificate of Achievement: Project-Based Learning* in May 2011
- certified in Emergency First Aid
- will have my teaching certificate in July 2011
- understands Labrador's cultural diversity (attended a Labrador Inuit Youth Symposium in March 2006)
- excellent interpersonal and collaborative skills
- knowledgeable about computers and classroom technology; excellent keyboarding skills
